有一種遊歷叫「義遊」： 意猶未盡，成長未盡

VolTra: Where Growth Meets Purpose

講起旅行，你會想到什麼？看風景名勝、吃喝玩樂、購物？旅行的意義，並沒有標準答案。遊歷過50個國家，看過千山萬水，城鄉百態的Jeffy想話你知，有一種旅行叫「義遊」。

Jeffy侃侃而談，說著旅途的所見所聞，大方自信。聽著真摯動人的分享，想像不到，昔日的她竟有這樣的一面，「我以前係一個勁細膽，即係連去餐廳都唔敢嗌待應嘅人。」Jeffy說，透過旅行，她慢慢地找到喜歡自己的地方，獲得自信和成就感。因為旅行，經歷成長，所以蛻變。

When it comes to travel, what comes to your mind? Sightseeing, indulging in food and fun, shopping? The meaning of travel does not have a standard answer. Having visited 50 countries, witnessed countless landscapes, and experienced diverse urban and rural settings, Jeffy wants to tell you about a type of travel called "VolTra."

Jeffy speaks confidently, sharing her travel experiences with sincerity and emotion. It's hard to imagine that she, once so timid, had this side to her. "I used to be very timid, to the point where I wouldn't even call the waiter in a restaurant," Jeffy said. Through travel, she gradually discovered the parts of herself she could appreciate, gaining confidence and a sense of accomplishment. Travel brings about growth and transformation.

在機緣巧合下，Jeffy認識了義遊，參加了兩次工作營。在2015年，她去過尼泊爾；在2017年，她去過冰島。在旅途上，認識到世界各地的人，她發現，「其實好多外國人都係離開咗自己嘅國家，去背包旅行或者去其他國家做義工，原來大家都可以咁自由去做一啲自己鍾意嘅嘢。」世界大得很，雖然是老生常談，但Jeffy不時反省，「香港嘅社會觀念就係要你點樣點樣，有幾多人真係做緊自己enjoy嘅嘢啊？」

義遊，令到不少參加者一而再，再而三出發。Jeffy更是由參加者，變成一個帶領者，帶了四個工作營：2019年去愛沙利亞；2020年去峇里島；2023年去蒙古和柬埔寨。不禁令人好奇，義遊到底有什麼魅力？她的回答沒帶絲毫猶豫，「成長，你參加義遊每一樣嘢你都會有成長。」她形容，那是一份內在的成長。

本身持有領隊牌的她，沒興趣做旅行社的領隊，「一開始帶隊係隨緣嘅，我真係好鍾意義遊嘅活動。」比起單純去旅行，Jeffy更享受和參加者建立關係。義遊的每個工作營也是和當地的伙伴合作，帶領一群人實地進行一些義務工作，如義教和社區基礎建設等等，嘗試為當地帶來一些改變。除了很欣賞義遊工作營的內容和價值，「共同做一件事，一齊去做好一個project。」Jeffy指出，這個信念很大。

Through serendipity, Jeffy discovered VolTra and participated in two workcamps. In 2015, she went to Nepal; in 2017, she visited Iceland. Meeting people from around the world on her journeys, she realized, "In fact, many foreigners leave their own countries to backpack or do volunteer work in other countries. It turns out that everyone can freely do what they love." The world is vast, and though it's a well-known fact, Jeffy often reflects, "In Hong Kong, societal norms dictate how you should be, but how many people are genuinely pursuing what they enjoy doing?"

VolTra has led many participants to embark on multiple journeys, time and time again. Jeffy, starting as a participant, has evolved into a leader, organizing four workcamps: Estonia in 2019, Bali in 2020, Mongolia and Cambodia in 2023. It raises curiosity - what is the allure of volunteer travel? Her response is definitive, "Growth, you experience growth in every aspect through VolTra." She describes it as inner growth.

Despite holding a Tour Escorts License herself, she has no interest in becoming a travel agency tour guide. "At first, leading a group was spontaneous, I truly enjoy the activities of volunteer travel." Rather than just traveling, Jeffy finds more fulfillment in building relationships with participants. Each workcamp collaborates with local partners, engaging the group in on-site voluntary work like teaching and community infrastructure development, aiming to bring about change in the local community. Apart from appreciating the content and value of the VolTra workcamps, "Working together on a project, striving to make a positive change collectively." Jeffy highlights the strength of this belief.

義遊與不少學校合辦工作營，學校有資源資助學生去報名參加。Jeffy坦言，大部分學生一開始未必很有目標，「十個有九個都係想去旅行，想體驗嗰個地方。」而不是想去做任務或者去幫助他人。作為義遊的「領隊」—文化領航員(Cultural Facilitator)，很多時，Jeffy也很想確保這個旅程有意義，想令到學生們最後有一個想法，「返屋企嗰日佢哋答到自己點解佢哋要出發。」

去年的蒙古之行，Jeffy帶的是一班教育學院的學生，未來的準老師，他們要在當地的少年孤兒院教書。在蒙古營中，他們發現到自己有不足的地方，例如英文其實不太好，發現到有很多進步的空間，各人每一天的分享也越發深入。在蒙古營的最後一天，每一個學生也寫了一封信給自己，總結工作營的心路歷程。然後，大家互相交換信件，由其他同學隨機讀出，每人聽完信件也可以再作分享。「呢個咁樣嘅分享，有啲 Hardcore，但能量幾強大。」Jeffy記得當晚，同學之間充滿自省和鼓勵。Jeffy說，她看得到同學的成長，大家都變得更強大，有一顆不斷進步的心，為將來做一名教育工作者而進步的心。

面對由參加者到領袖的角色轉變，Jeffy坦言，行動和心態也要有轉變。怎樣做一個好的文化領航員？Jeffy分享道，「冇話最好，或者唔好，因為每個人都有自己嘅 style。」每一次，她也要適時拿捏，何時行前些，何時退後些。整體來說，她認為觀察力和同理心最緊要。「因為我本身唔係一個好有自信，唔係一個領袖嘅角色，但我係一個同行者。」她記得，曾經也有同行的領航員講過，「當我哋能夠令到我哋嘅參加者，同當地人建立到關係，到最後我哋呢個角色係可以唔見、變透明，咁呢個就係一個成功嘅領航員。」當然，旅途上總有驚喜和挑戰。Jeffy遇過，參加者身體不適，掉了旅行證件等等的意外，但是最終也一一大步闖過，「都係經歷嚟嘅。」

VolTra partners with numerous schools to co-organize workcamps, offering resources to assist students with registration. Jeffy admits that most students initially may not have clear goals, "Nine out of ten are looking to travel and experience a place," rather than undertake a mission or help others. As a VolTra's version of "tour escort" - the Cultural Facilitator, Jeffy often aims to ensure that the journey is meaningful, hoping that students will have a realization by the end, "That day when they return home, they answer themselves why they set out."

During last year's trip to Mongolia, Jeffy led a group of students from an education college, aspiring teachers who were to teach at a local youth orphanage. In the Mongolian workcamp, they discovered their shortcomings, such as their English not being very strong, and identified areas for improvement, with each day's sharing becoming more profound. On the final day of the Mongolian workcamp, each student wrote a letter to themselves, summarizing their emotional journey during the workcamp. Then, they exchanged letters, with random classmates reading them out loud, followed by each person sharing their thoughts. "This kind of sharing is intense, but the energy is powerful," Jeffy recalls that evening, filled with self-reflection and encouragement among the student group.

Jeffy notes she witnessed the growth of the student participants, seeing them become stronger, with a mindset of continuous improvement as future educators. Facing the transition from participant to team leader, Jeffy openly acknowledges that actions and mindset need to change as well. How to be a good Cultural Facilitator? Jeffy shares, "There's no definitive right or wrong way, as everyone has their unique style." She emphasizes the importance of timing, knowing when to take the lead and when to step back. Fundamentally, she values keen observation and empathy. "I'm not naturally confident or a typical leader, but a companion." Recalling wise words from a Cultural Facilitator. "When we can build relationships with participants and locals, our role can eventually become less visible, almost transparent, that's a successful Cultural Facilitator." Of course, there are always surprises and challenges on the journey. Jeffy has encountered unexpected events like participants falling ill or losing travel documents, but ultimately overcame them one by one. "These are all part of our growth."

成長，你參加義遊 每一樣嘢你都會有成長。

Growth, you experience growth
in every aspect through VolTra.

對Jeffy來說，2020年帶團到峇里島最讓她念念不忘。一行人在島上的小學教五日英文課，時間雖短，但教人難忘的是一同分享過的時光。「佢哋係會走過嚟，捉住我隻手，然後拉我去陪佢哋去玩。」小朋友天真無邪，單純的只想和遠道而來的哥哥姐姐玩。「呢個距離係零距離，將我都變返一個小朋友。」Jeffy說，這份快樂千金不換。「我哋最後，係每一個人都係喊住咁樣Say goodbye。」峇里島的小朋友不捨分離，排住隊要送上禮物。「佢哋知之後唔會再見到我喇啦，自己最鐘意嘅，全新嘅文具送畀你。」孩子們送的禮物，Jeffy一直保留至今，每次看到那卡通原子筆，都會喚起當日的回憶，「原來快樂係好簡單。」

問到義遊在Jeffy心目中的地位，「義遊有乜活動，我係一定會參加㗎，哈哈！」Jeffy笑著說，她按捺不住，想再講義遊的好，又怕別人覺得她賣花讚花香。「義遊可以旅行，可以幫到人，又可以貢獻到畀個社區，仲可以同外地其他人建立聯繫。」義遊，一次過滿足你多個願望。她說，她每一次出發所得的收穫，遠超過義工加旅行，「在旅途上遇到嘅每一個人都可以令到你有啟發。」

你再踏上旅途的原因會是什麼？可以肯定的是，在未來義遊的旅途上，一定見到Jeffy。

For Jeffy, leading a group to Bali in 2020 was unforgettable. They taught English at a local school for five days on the island. Though the time was short, what was unforgettable was the shared moments. "The kids would come over, hold my hand, and take me to play with them." The innocent children simply wanted to play with the brothers and sisters who came from afar. "This closeness is zero distance, making me feel like a child again," Jeffy says, cherishing this happiness as priceless. "In the end, everyone was in tears saying goodbye." The children in Bali were reluctant to part ways, lining up to give gifts. "They knew they wouldn't see me again, so they gave me their favorite brand new stationery as a gift." Jeffy still keeps the gifts from the children, and every time she sees that cartoon pen, it brings back memories of that day. "Happiness is really simple."

When asked about the importance of VolTra in Jeffy's heart, she said, "If there's any volunteer activity, I'll definitely participate, haha!" Jeffy laughs, unable to resist praising the benefits of VolTra again, but afraid others might think she's overselling it. "VolTra not only let you travel, help others, contribute to the community, but also connect you with people from different places." VolTra fulfills multiple desires at once. She mentioned that the rewards she gains from each departure far exceed the volunteer work and travel itself. "Every person you meet on the journey can inspire you." What will be your reason for embarking on a journey next time? It's certain that in future VolTra journeys, you will definitely encounter Jeffy.

沒有什麼可以阻擋我對柬埔寨的嚮往

Cambodia: Unstoppable Longing

GenZ追求靈活多變，喜歡新鮮感……有人話，很難讓新生代參加同一個活動或前往同一個地方兩次。然而，今年23歲的Elma，已經連續兩年跟隨學校，參加了兩次與義遊合辦的柬埔寨工作營，可謂在當地留下不少腳毛。

Gen Z craves flexibility and novelty, enjoying a sense of freshness... Some say it's challenging to get the younger generation to participate in the same activity or visit the same place twice. However, 23-year-old Elma has defied this trend by joining her school for two consecutive years in Cambodia for a VolTra workcamp, leaving a significant impact in the local community.

義遊在世界各地舉辦國際工作營，不同院校會主動聯絡接洽，希望善用學校資源支持更多年青人走出香港，試試在異國做義工，體驗不同生活和文化。出發前，義遊會支援帶隊老師準備簡介會，告知同學們一些注意事項，例如分享過往參與工作營的經驗，介紹當地環境包括住宿和廁所等等。同時，老師也想了解同學們的憂慮，「最多人話驚KK園，驚冇咗個肝、冇咗個腎……」Elma卻與一般同學相反，以上的因素沒令她卻步。她說，很清楚自己的目標，前往當地是要做服務，而不是個人享樂，「橫掂都係跟學校去㗎啦，驚咩啫。我乜都唔驚，係驚昆蟲同埋驚好熱，冇乜點擔心。」

「我喺香港都咁捱得，點會去啲喺地方捱唔到啊……點知真係會捱唔到㗎。」Elma苦笑著說。去年，迎接他們的是一場大風雨。大雨沖走了原本的路，學生們要前往當地家庭做家訪，就要攀山涉水，「啲水浸到喺我膝頭哥下面，我哋要涉水而行，行咁係石頭自己搭出嚟㗎人造路。」當時，水流急得很，有同學的鞋甚至被水沖走。Elma自嘲自己是港孩，但克服到旅程中大大小小的挑戰，令她覺得自己有進步，「我個人唔同咗，我改變咗，我終於唔係港孩啦。」

回憶上年發生的點滴，Elma坦言，的確有不少擔憂，「今年完全豁咗出去，好似當咗自己屋企咁樣。」而正因有上年的經驗，她今年也有不少改變。「上年其實我係怕污糟嗰啲人，腳都唔鍾意踩喺泥地，我全程著住對襪同拖鞋。但今年唔同啦，我赤腳行落啲泥度，赤腳同啲小朋友跳繩。」今年的太陽大得很，天氣熱得很，曬得Elma幾近中暑，也在她的腳掌曬出一對人字拖印。此外，Elma心態上也準備得更好，她很清晰：「保持住個心態係，我哋係去工作營，唔係去旅行。」而令Elma自己也感到驚訝的是，柬埔寨可以令她「廢上網忘電話」，「上年都有用電話，今年完全將部電話擺喺房入邊，冇乜點玩電話。」

VolTra organize international workcamps worldwide, with different schools actively reaching out to utilize school resources to support more young people stepping out of Hong Kong, trying volunteer work abroad, and experiencing different lifestyles and cultures. Before departure, VolTra supports the accompanying teachers in preparing briefing sessions, informing students about important details such as sharing experiences from past workcamps and introducing the local environment including accommodation and facilities. At the same time, teachers want to understand students' concerns. "Most people are worried about KK Park human trafficking, losing their liver or kidney..." Elma, however, differs from typical students as these factors do not deter her. She states she is clear about her goal—she is going there to serve, not for personal enjoyment. "After all, I'm going with the school, so what is there to fear? I'm not afraid of anything, just bugs and the heat, but I'm not really worried."

"If I can endure life in Hong Kong, why wouldn't I be able to handle those places? ... But who would have thought I really couldn't handle it" Elma chuckled bitterly. Last year, they were greeted by a storm. The heavy rain washed away their intended path, forcing students to trek through mountains and waters to visit local families. "The water was up to my knees, and we had to wade through, following a makeshift path of stones we assembled ourselves." At that time, the water flow was intense, with some students even losing their shoes to the water. Elma jokingly referred to herself as a spoiled Hong Kong kid, but overcoming the challenges big and small during the journey made her feel like she had progressed. "I've changed personally, I'm not just a spoiled Hong Kong kid anymore."

Reflecting on the bits and pieces of the previous year, Elma admitted to having many worries. "This year, I completely let go, feeling as if I had entered my own home." It was due to the experiences from last year that she underwent significant changes this year. "Last year, I was actually afraid of getting dirty, didn't like stepping on muddy ground, and wore socks and slippers throughout. But this year, it's different, I walked barefoot on the mud, jumping rope barefoot with the children." The sun was scorching this year, the weather extremely hot, almost causing Elma to suffer from heatstroke, leaving a pair of flip-flop imprints on her feet from the intense sun. Furthermore, Elma was mentally more prepared this time, stating clearly, "The mindset to maintain is that we are at a workcamp, not on vacation." Surprisingly, Cambodia managed to make Elma "forget about the internet and leave her phone idle," "Last year I used my phone, but this year I completely left it in the room, hardly touched it."

“我個人唔同咁，我改變啦，我終於唔係港孩啦。

I've changed personally,
I'm not just a spoiled Hong Kong kid anymore.

雖然已經去過兩次柬埔寨，但Elma不太清楚工作營的位置，連地名也不太記得。「總之由首都金邊出發，都要坐一、兩個鐘Shuttle bus先入到去。」工作營的地點位於農村郊區，是由一個叫Sophat（音譯素拋）的當地人建立，那裡是他的家鄉，他從小住在那裡，直至長大才出城市打工。由於想回饋這個地方，於是就闢地辦了這個工作營，藉此將外面的世界帶給村裡的人。村落的一切都是自給自足，「睇到好多田、好多綠色植物，村口有一條石屎大公路，沙塵滾滾。」疫情期间，沒外人能進村，也沒法接收物資。因此，素拋要出去金邊的酒店打工賺錢，再寄錢回鄉，供養村落。

「之前小朋友上堂嘅地方係由豬欄改建而成，今年拆咗，要起返個新嘅地方做課室。」Elma指，他們有份搬磚、砌牆，幫手重建課室。而新課室的外牆，有一幅新的畫，由起草稿到完成，這壁畫花了三天完成。日落後，他們甚至要摸黑油牆，「雖然每日都要畫到夜晚八、九點，但好有成功感。」Elma和另外七個同學，一起把這個旅程的所見所聞都畫在牆壁上：「呢幅畫入面有好多嘢，有我哋喺度見到嘅彩虹、星空、流星同銀河。每個人仔代表我哋，仲有村嘅三隻狗。同埋每日食嘅飯後果，火龍果同西瓜，係素拋太太切俾我哋食嘅。」

「嘅度啲人好知足常樂，唔似我哋香港人，即係喺城市長大嘅人，嫌呢樣唔好、嘅樣唔好。」Elma話，柬埔寨物價低，一元美金已可買到好幾包零食。小朋友一條橡根繩也可玩足一天，開心來得簡單。可是，有一晚閒聊，Elma聽老師和同學講起，「有個同學飲品飲淨一半掉喺垃圾桶，有個小朋友執返嚟飲返」，Elma聽罷震撼不已，不禁反思，城市人常因垂手可得，浪費而不自知。

說到底，怎樣才算是幫到當地的小朋友？Elma認為，是世界觀和他人溝通的能力。「你問佢哋最需要啲咩？多啲接觸世界各地嘅人，令佢哋放開個眼界。啲小朋友由細到大都喺村落入面，要見識同了解世界，放眼世界。同埋要教佢哋英文，至少可以同人交流。」Elma很記得一個叫甘地亞（音譯）的小女孩，因為她見證著她的英文有進步，「上年佢完全唔敢用英文，ABCD都寫唔好。」於是，Elma特地為她製作了一本練字簿，讓她回家多寫、多練習，重點式去教導她，「今年見到佢有進步，開始溝通到，至少佢好努力去講英文同我傾計，真係好感動！」

Although Elma has been to Cambodia twice, she is not very clear about the location of the workcamp and doesn't even remember the name of the place. "In any case, starting from the capital, Phnom Penh, it takes about one to two hours on a shuttle bus to reach there." The workcamp is situated in a rural village on the outskirts, established by a local named Sophat. This village is his hometown where he grew up before moving to the city for work. Wanting to give back to this place, he set up this workcamp to bring the outside world to the village.

Everything in the village is self-sufficient. "You see a lot of fields, lots of green plants, and a dusty concrete road at the village entrance." During the pandemic, outsiders were not allowed into the village, and they couldn't receive supplies. So, Sophat had to work at hotels in Phnom Penh to earn money and send it back to support the village.

"Previously, the children's classroom was converted from a pigsty. This year, it was demolished, and they had to build a new classroom from scratch." Elma mentioned that they were involved in moving bricks, building walls, and assisting in the reconstruction of the classroom. The exterior wall of the new classroom features a new mural that took three days to complete from sketch to finish. After sunset, they even had to paint in the dark. "Even though we painted until late at night, around 8 or 9 pm every day, it felt very rewarding." Elma and seven other classmates painted everything they saw and experienced during this journey on the wall: "The mural includes many things we saw here—rainbows, starry skies, shooting stars, and the Milky Way. Each figure represents us, along with the village's three dogs. And the fruits we ate daily after meals—dragon fruit and watermelon—were cut for us by Sophat's wife."

The people there are very content, unlike us Hong Kong people who grew up in the city, always finding fault in this and that," Elma said. In Cambodia, prices are low, and with just one US dollar, you can buy several snacks. Children can play happily all day with just a piece of rubber band. Happiness can be so simple. However, one evening during a chat, Elma heard the teacher and classmates talking about how "a classmate threw away half a drink in the trash, and a child picked it up to finish." This story left Elma deeply shocked and made her reflect on how city dwellers often take things for granted and waste without realizing it.

Ultimately, what does it mean to truly help the local children? Elma believes it comes down to broadening their worldview and improving their ability to communicate with others. "When you ask them what they need the most, they say it's more interaction with people from around the world to broaden their horizons. The children have grown up entirely in the village, so they need opportunities to learn about and understand the world, broadening their horizons. Additionally, they need to learn English so they can at least communicate with others." Elma vividly remembers a girl named Gandhiya (phonetic), who she saw making progress in her English skills. "Last year she was too afraid to use English, couldn't even write ABCD properly." So, Elma made a handwriting practice book specifically for her, encouraging her to practice at home. She focused on teaching her, "This year, I've seen her make progress. She has started to communicate, and at the very least, she's been making a great effort to speak English and chat with me. It's truly touching! It's really touching!"

這次旅程，Elma還遇到來自法國和緬甸的義工。大家在休息時，談天說地，分享自己國家發生的事，接觸到柬埔寨以外的人與事。最叫Elma難忘的，就是和來自緬甸的少女聊天，「依家緬甸係軍政府，佢自己住嘅村，都見過有軍人無啦啦入屋殺人。」因著踏足同一遍土地，分享過同一個星空，她倆更容易連結起來。「我知道呢個世界會發生呢啲事，但冇諗過自己會見一個人，佢係經歷緊呢啲事，啲下你會覺得，依家已經2024，點解仲會有呢啲事發生。」

最後，問到Elma一道想像題。試問，若她從沒參加過義遊的活動，從沒到過柬埔寨，她會是怎樣呢？「會係我人生一大遺憾，人生一定要去一次，有呢啲經歷先至係最好。」她形容，人在外地，心思會更開放，有更多可能性出現，更了解自己的能耐可以去到多盡，「去其他地方由零開始，可以發揮更多自己嘅才能等等，但你喺香港因為你熟悉呢個地方，有好多嘢都唔會做到。」

義遊帶給Elma的經歷，不止是旅行，亦不止是在地的服務體驗，還種下一些牽絆。今年離別之際，她沒料到自己哭得這麼慘。「好想再去嘅度服務。Elma說，下一年還會再去柬埔寨，這將會是她第三次踏足這片土地。她約定七個一起畫壁畫的同學，先去暹粒看吳哥窟，之後再入工作營。這次，他們想多留幾天，好好說「你好」和「再見」。

During this journey, Elma also met volunteers from France and Myanmar. While resting, everyone chatted and shared stories about what was happening in their own countries, exposing themselves to people and events beyond Cambodia. What stood out most for Elma was a conversation with a girl from Myanmar. "Currently, Myanmar is under military rule. She has seen soldiers barging into homes and killing people." By stepping on the same land, sharing the same starry sky, they found it easier to connect. "I knew these things happen in the world, but I never thought I would meet someone who is experiencing them. At that moment, you can't help but think: it's already 2024, how can things like this still be happening?"

Lastly, Elma was asked an imaginative question. If she had never participated in VolTra activities and had never been to Cambodia, what would she be like? "It would be a great regret in my life. You have to go once in your life; these experiences are the best." She described how being in a foreign place opens up the mind, brings forth more possibilities, and helps one understand their capabilities can extend further. "Starting from scratch in other places allows you to unleash more of your talents and so on, but in Hong Kong, because you are familiar with the place, there are many things you may not be able to do."

The experiences that VolTra brought to Elma were more than just travel or local service; they planted some bonds. As she bid farewell this year, she didn't expect to cry so much. "I really want to go back and serve there." Elma said she would go back to Cambodia next year, for the third time. She made a promise with seven classmates who painted murals together to visit Siem Reap first to see Angkor Wat before heading to the workcamp. This time, they want to stay a few more days to properly say "hello" and "goodbye."

香港國際工作營

International Workcamp in Hong Kong

香港國際工作營是義遊的核心項目之一，旨在將國際視野融入本地社區，促進全球與本地行動的融合。我們每年邀請來自世界各地的義工來港，與本地義工一同參與服務和文化交流，促進跨文化理解。首次來港或基層青年可獲得資助，協助他們擴展國際視野，培養成為全球意識和社會責任感的世界公民。2023-24年，我們成功舉辦了兩次工作營，吸引了來自不同國家和地區的青年參與。

The Hong Kong International Workcamp, a key VolTra program, integrates global perspectives locally and connects global and local efforts. Annually, volunteers worldwide join locals in Hong Kong for service and cultural exchange, fostering cross-cultural understanding. This enriching experience offers new insights into daily life and strengthens global-local connections. We offer funding for first-time visitors and underprivileged youth to expand their global outlook and promote social responsibility. In 2023-24, VolTra hosted two successful Hong Kong International Workcamps, involving youth from diverse regions.

香港夏季國際工作營 Hong Kong Summer International Workcamp

疫情後首度齊集了來自澳門、台灣、日本、泰國、韓國、柬埔寨、越南、老撾、印尼、菲律賓、秘魯、肯亞、俄羅斯等13地區共50多名參加者邊認識社區，邊為香港帶來正面影響。

在短短6日以社區及可持續生活為主題的工作營裏，參加者除了在南丫島漁民文化村體驗了水上人家的生活，亦到訪了大館和香港故宮文化博物館，認識香港的歷史文化；更深入農場Winnie The Farm認識有機耕種。最後當然不少得工作營必備的文化交流環節，來自各地的參加者更在兩日的「義遊市集」中躊躇分享自己的文化及各式家鄉小食，令大眾也可體驗國際工作營文化交流的有趣之處！

For the first time since the pandemic, over 50 participants from 13 regions—including Macau, Taiwan, Japan, Thailand, South Korea, Cambodia, Vietnam, Laos, Indonesia, the Philippines, Peru, Kenya, and Russia—came together to explore the community while creating a positive impact on Hong Kong.

This six-day workcamp, centered around community and sustainable living, offered diverse experiences. Participants immersed themselves in the fisherfolk culture on Lamma Island, visited Tai Kwun and the Hong Kong Palace Museum to discover Hong Kong's history and

culture, and learned about organic farming at Winnie The Farm. And, of course, no international workcamp is complete without cultural exchange activities! Participants eagerly shared their cultures and traditional snacks during the two-day "VolTra Market," allowing the public to experience the joy and uniqueness of cultural exchange at an international workcamp.

「通德學校」文化交流工作營 "Tung Tak School" Cultural Workcamp in Hong Kong

有別於傳統工作營，參加者每天一同前往不同社區，認識不同議題，包括深入社區參察，了解基層生活和貧窮議題；到通德學校為學生送上節日祝福，分享各自國家的文化，並在「RunOurCity」全城街馬中為跑手打氣。透過多元化的體驗和活動，無論本地或海外參加者都能認識香港的不同面向，並透過在不同議題所作的行動，為香港社區帶來正面的影響。

Unlike traditional workcamps, workcampers ventured into different communities each day to explore various issues. Activities included in-depth community observations to understand grassroots living and poverty issues, delivering holiday blessings to students at Tung Tak School while sharing their own cultures, and cheering for runners at the "RunOurCity" street marathon. Through these diverse experiences and activities, both local and international participants gained a deeper understanding of Hong Kong's multifaceted society while contributing positively to the community through actions addressing different social issues.

小朋友可以與來自不同國籍的成年人一起溝通，這不僅有助於拓寬他們的視野，也能提升他們的溝通技巧，過程中充滿了歡樂。由於活動臨近聖誕節，大家可以一起製作聖誕卡片、跳舞，並了解不同國家聖誕節的文化和習俗。我認為這是一個非常有意義的體驗。

Children had the opportunity to communicate with adults from different nationalities, which not only broadened their horizons but also enhanced their communication skills, all while enjoying a joyful experience. Since the event was close to Christmas, participants created Christmas cards, dance, and learned about the cultures and traditions of Christmas in various countries. I believe this was a truly meaningful experience.

受到社區創新訓練日的啟發，我們設計了有關垃圾徵費的社區項目。在社區項目實踐中，我們透過問卷和社區活動提升大眾對垃圾徵費的認識，把環保意識透過如此方式帶給他人，帶動他人在日常生活中減少廢物，我認為很有意義。

Inspired by the Social Innovation Lab Training Day, we designed a community project related to waste charging. Through surveys and community activities in the implementation of this project, we aimed to raise public awareness of waste charging, spreading environmental consciousness to others through these means, and encouraging others to reduce waste in their daily lives. I find this endeavor very meaningful.

因為任務中的種種挑戰，大膽尋找不同國家的朋友聊天，學習他們的文化，讓我知道原來這個世界我還有很多東西是不知道的。我更加有興趣利用自己嘅空餘時間參加義遊的活動，希望可以擴闊自己人生的圈子，讓自己的生活更精彩。

Because of the challenges in the mission to boldly seek out friends from different nationalities to chat and learn about their cultures, I've realized there's still so much in this world I don't know. JC Volunteer Together - DO GOOD

關於「小義施」 About DO GOOD

承蒙香港賽馬會慈善信託基金的策劃及捐助，義遊推出了「賽馬會眾心行善小義施」計劃，義工可參與線上微義工及實體義工活動，隨時、隨地、隨心做義工，共建好城市。城市之所以美好，不只靠少數人做偉大的事，而是由許多人一起持續做一點點好事。小義施旨在凝聚每一點善意，用點滴匯聚成涓涓力量，為城市帶來深遠而美好的改變。

With the support of The Hong Kong Jockey Club Charities Trust, VolTra launched the "JC Volunteer Together - DO GOOD" initiative. Through the DO GOOD platform, volunteers can participate in online micro-volunteering and direct services, offering the flexibility to volunteer anytime, anywhere, and in ways that align with their passion. A great city is not built by the grand achievements of a few but by the small, consistent good deeds from many. DO GOOD seeks to gather every good deed, combining them to create a powerful force that brings profound and lasting positive change to the city.

關於線上微義工 About Online Micro-volunteering

線上微義工是一種靈活且方便的義工形式，旨在推動大眾將義工精神融入日常生活，成為投身義工行動的第一步。透過小義施平台，義工可以記錄日常生活中的善舉，例如自備外賣餐具、關心鄰里、捐血等。這些簡單的任務讓參與者發掘自己的興趣和技能，了解如何為社會帶來貢獻，逐步培養義工習慣。隨著經驗的累積，他們將更願意投放更多時間與精力，參與實體義工服務。

Online micro-volunteering is a flexible and convenient form of volunteering designed to integrate the spirit of service into everyday life, serving as a stepping stone to greater involvement in volunteerism. Through the DO GOOD platform, volunteers can log their daily good deeds such as bringing their own takeaway utensils, caring for neighbors, or donating blood. These simple missions help participants discover how their skills and interests can contribute to society, gradually fostering a habit of volunteering. As they gain more experience, volunteers will be more willing to invest additional time and effort in participating in direct services.

荔景邨長者探訪義工 Visiting elderly residents in Lai King Estate Volunteer

今日好開心可以帶小朋友去做義工探訪獨居長者，用身體力行去帶畀小朋友一啲啲嘅需要知道嘅訊息世界觀同埋弱勢社群獨居長者嘅生活狀態，我會開心有呢個機會可以有一個親子嘅節目做一啲有意義嘅活動。

I'm very happy today to take my kids to volunteer and visit elderly people living alone. Through this experience, I hope to share with my kids valuable insights about the world, as well as the living conditions of vulnerable groups and elderly individuals living alone. I'm grateful for this opportunity to engage in meaningful activities as a family.

輪椅無障礙地圖義工 Wheelchair-accessible Route Mapping Volunteer

作為有腦退化人士的照顧者，因為被照顧者未能表達關係，是次體驗能讓我有機會感受到輪椅使用者嘅困難和不安之處，喺日後推輪椅更加會留意一啲照顧及技巧上既細節，遇到其他輪椅是紅者亦會加倍體諒，希望能夠共建一個無障礙友善社區。

As a caregiver for a person with dementia, who is unable to express themselves, this experience gave me the opportunity to better understand the challenges and discomfort faced by wheelchair users. Moving forward, I will pay more attention to caregiving techniques and details when pushing a wheelchair. I will also show greater empathy towards other wheelchair users, with the hope of contributing to a barrier-free and inclusive community.

受義遊啟發的項目

Projects inspired by VolTra

義遊相信國際義工服務不單是一種遊歷，更是一場「從我到我們」的思想變革。我們希望義工回到熟悉的環境後，能將工作營中吸收的養分和感動，轉化為實際行動，貢獻社區。以下是義工完成國際義工服務後自發開展的項目。

We believe that international voluntary service is not simply a travelling experience, but a transformational journey and a process of understanding the importance from "Me" to "We". We hope our volunteers can apply what they have learnt and continue to contribute to their own communities. The following are inspired initiatives started by our volunteers after joining international voluntary service projects.

Just Do You

團隊希望參加者能自主選擇充電方式，因為每個人喜好不同，有些人喜歡獨自充電，有些人則透過群體活動來放鬆。在屯門的「生活書院」，他們透過藝術、體驗和學習，與參與者一起探索生活、文化和智慧的選擇。這個計劃參考了「生活書院」的節奏和慢活體驗模式，安排了獨特且無拘束的活動形式，讓參與者體驗不同尋常的活動。同時，結合了平衡的充電活動，讓參與者體驗有靜有動的活動。心悅人文空間提供頌頌活動設計流程，逐步引導參與者，教導如何照顧自己，增強帶領頌頌活動的信心。

The team encourages participants to select their own methods of rejuvenation since everyone has unique preferences—some find solace in solitude while others prefer group engagements. An example is the "School of Everyday Life" in Tuen Mun, which delves into life, culture, and mindful lifestyle choices through art, experiential activities, and education. This initiative is inspired by their unhurried pace and open slow-living approach, offering an unconventional activity format different from busy agendas. It allows participants to engage in a distinctive and unrestricted activity structure. By integrating parallel recharging activities, a balance between active and passive engagements can be achieved. The "Xin Yue Cultural Space" introduces a structured approach to singing bowl activities, guiding participants through the process and instructing them on self-care, fostering confidence in leading such sessions.

又能住

團隊希望透過活動直接回應青少年自殺問題，讓參加者正視這個議題。活動主要著重在「陪伴、支持和讓他們覺得自己重要」這三個要點。以劇本殺和生命選擇劇場元素設計活動，期望參與者在體驗中除了負面情緒外，也能感受到希望和生命價值觀。透過【自殺x拯救】體驗館活動，讓參加者身臨其境地感受青少年處境，他們分別扮演「想自殺的人和找自殺的人」。希望透過這些活動讓參與者意識到，每個似乎是在幫助他人的行為，實際上也可能是在自己低落時需要的支持，提升自我認知，增加陪伴感，強化參與者的自我價值觀。同時，希望社區也能認識到身邊的人同樣可能需要幫助。

團隊關注到現今大學生和剛畢業的青少年在社會中承受著巨大壓力，對他們的身心健康和精神狀況產生了深遠的影響。在快節奏的香港，放慢腳步似乎變得越來越難。因此，團隊決定為16-24歲的青少年提供一個全新的思考方式，創造一個完全放鬆的空間，讓他們盡情休息並有效釋放壓力。這個計劃旨在讓青少年參與「藍曬慢活體驗」，提供平臺讓他們可以放慢腳步，舒緩繁忙生活帶來的壓力，並釋放壓力。

The team has noticed that present-day university students and recent graduates are facing significant societal pressures, impacting their physical and mental well-being. In the fast-paced environment of Hong Kong, finding moments to slow down can seem challenging. With this in mind, the team is committed to introducing a fresh perspective to young individuals, aiming to establish a sanctuary where they can unwind completely and effectively manage stress. The initiative targets youth aged 16-24 dealing with academic or job-related pressures, seeking relaxation. Young people are the primary participants in this project. By engaging in the cyanotype slow-living experience, we provide a platform for them to decelerate and ease the burdens of their hectic lives, enabling them to alleviate stress.

Established in 2014, My Fair Lady is a curation platform aiming to encourage mindful shopping, focusing on fair trade and cruelty-free fashion and beauty for women, through online and offline events. The founder, Joker Rita, was introduced to fair trade in Taiwan in 2007. In 2009, while working with VolTra as Project Director, she participated in a fair trade festival during her first workcamp in Italy, deepening her understanding of fair trade principles. This experience led her and her community to engage in global citizenship and the fair trade sector.

滾動力量 Wheel Power Challenge

心澄 Mindful7

為了幫助年輕人應對生活壓力，心澄Mindful7團隊致力於培養24歲以下青年的情緒智力。團隊舉辦了一系列創新的社區活動，旨在提升青少年的自我認知、情緒管理和應對策略。通過與插畫家@tangyuan.day合作，他們打造了「心澄驛站」——一個情緒探索的互動空間。利用創新的海盜桶遊戲生動地展示ABC模型，使參與者親身體驗，希望將這種自我探索過程轉化為有趣且互動的學習體驗。

In response to the challenges faced by today's youth, the Mindful7 team is committed to nurturing emotional intelligence in individuals under 24. They have planned creative community events to help teenagers improve self-awareness, emotional control, and coping skills. Collaborating with illustrator @tangyuan.day, they introduced the "Mindful Station," an interactive area for emotional discovery. Through a unique pirate barrel game, they made the ABC model tangible, enabling participants to engage with it directly. The aim is to turn this self-exploration journey into an enjoyable and interactive educational experience.

Concern Your Concern

團隊透過訪問不同年齡層和生活階段的人，讓他們透過鏡頭相互鼓勵，將隔代代溝轉化為真誠交流。希望受訪者能有機會分享平時不易啟齒的困擾，表達情感，透過陌生受訪者的支持和建議，獲得力量和啟迪。

The team interviewed individuals of various ages and life phases, prompting them to share words of encouragement with each other through the camera lens. This project bridged the generation gap, fostering authentic dialogues. By offering a platform for interviewees to voice concerns they might not typically discuss, the team aims to help them express their emotions. Through the support and guidance of anonymous interviewees, individuals can discover resilience and motivation.

心繫沙田

為了給沙田區市民提供心靈喘息的地方，團隊為當地居民和照顧者製作了心靈喘息空間地圖，並組織了義工服務活動-和諧粉彩體驗日。此外，還啟動了Padlet打卡活動，讓參與者分享放鬆心情的方法，互相參考。

To offer Sha Tin residents a place for mental relaxation, the team designed a "Mental Relaxation Space Map" for them and their caregivers. They also arranged a volunteer event called the Pastel Nagomi Art Experience Day. Furthermore, they initiated a Padlet check-in activity for participants to share and discover various relaxation techniques.
