義遊為什麼 WHY ARE WE HERE

氣候變化、種族戰爭、
宗教衝突、能源危機、
貧富懸殊……

世界充斥著種種大議題，既與每個人有關，卻又無人能獨力解決。尤其在香港的我們，仿似絕緣於經濟以外的世界性議題。有人認為事不關己，用不著自己勞心；也有人覺得個人力量有限，多做也只徒勞。結果，大家開始變得冷漠，只會用冷眼分析周遭事物，要麼冷嘲熱諷，要麼望而興嘆，總之大議題就留給大人物處理，許多人祈求的只是在紛擾世界中獨善其身。

Climate change, ethnic wars, religious
conflicts, energy crisis, wealth disparity...

Our world is facing various crucial issues that transcend borders. While these issues influence everyone on the planet, unfortunately none of us can resolve them on our own. Especially in Hong Kong, we seem to shut ourselves off from global issues beyond economic discussions. Some feel unconcerned and do not bother to get involved, while some think individual power is so limited that their efforts are in vain. Consequently, we become indifferent and apathetic towards our surroundings and gradually respond to our problems with either sarcasm or despair. Sometimes, we just wish to leave those big issues for the big cheese and isolate ourselves from such a chaotic world.

獨善其身，卻正是問題的
癥結。

義遊相信，真正的改變不能只等待少數人做偉大的事，而是由許多人一起持續地做渺小的事。這是一場由「我」到「我們」的思想變革，而世界公民正是那群願意一起由下而上策動變化的人們。義遊關注本地議題，也放眼全球形勢，因為我們深明要令自己的世界更美好，就得令別人的世界也更美好，因為我們都只有一個世界，而且是同一個世界。

Isolating ourselves is indeed the crux of the
problem.

VolTra believes that real changes are not brought about by great things done by a few, but all the small acts done persistently by everyone of us towards a common goal. This requires a change of mentality from “me” to “we” – for global citizens who are willing to stir changes from the bottom and work their ways up step by step. VolTra cares about local issues and looks further into global trends as we always believe that in order to have a better world for ourselves, we have to make the world better for others. There is only one world for us, which is a world shared by us.

我們常說的三心兩意…

求變心 Empowerment of Change

本地意識 Local Awareness

好奇心是文化旅程的起點。傳統文化、獨特歷史、自然風光、特色宗教、政治民生或人文風俗……找到令你好奇的原因，就出發吧！

The eagerness to **explore** the world is always the starting point of any journey. Once you identify your reasons to explore: be it the traditional culture, the unique history, the nature, the religion, the politics or the rituals, just step out of your comfort zone and start your journey!

同理心是國際義工的重點。深入外地社區、聆聽他們的心聲、感受他們的處境、想像他們的觀點……懷着同理心，才能與當地社區共同進退！

Empathy is the core for the international voluntary service movement. When you dive into the overseas community, you listen, you feel, you see the world from others' perspectives; only when you are empathetic, you can support the local community along the ways!

求變心是公民社會的支點。帶著滿滿的感動和啟蒙回來後，看見的世界從此不一樣。有想要改變的事情嗎？義遊會助你連繫志同道合的朋友，一起將感動化成行動！

After a journey filled with passion and inspiration, the world you see will never be the same. When you wish to initiate a change, VolTra will connect you with like-minded individuals, to bring passion into action, and to **empower the change**!

懂得欣賞自身的文化，又能連繫地球村，結合**本地和全球意識**，才是真正的**世界公民**。

When you are able to appreciate your own culture and connect the world, at the same time enhancing your **local and global awareness**, you will become a true **global citizen**.

主席的話 MESSAGE FROM CHAIRPERSON

義遊一直希望透過國際義工服務，鼓勵香港人去探索世界，認識及欣賞不同文化之間的差異，從中了解當地社區的問題及需要，再發揮創新思維去改善社會，成為真正的世界公民。這就是所謂的「好奇心、同理心、求變心」三部曲。

過去八年，我們舉辦海外個人及團體義工項目、香港工作營及微·義遊等，吸引過萬名香港及海外義工參與不同的義工項目及交流活動，帶著好奇心探索世界。為了進一步啟發義工們的同理心和求變心，我們開展了義遊首創的「柬埔寨設計思維學習營」、公民教育委員會撥款的「『一帶一路』交流資助計劃——求同·傳義@愛沙尼亞——社會創新 2.0 探索之旅」，以及香港賽馬會慈善信託基金捐助的「賽馬會特『義』公民訓練計劃」，讓官、商、民、學各界的持分者一同啟發及培育香港的創業者及社會創新者。

藉著這些推動世界公民理念的計劃，我們成功啟發了燭動、滾動力量、My Fair Lady、Honken Global Volunteering For Change、閒地攤、GreenActs、Plant For Water等由義工自發開展的社會創新項目。我們期盼，這股勇於挑戰及改變的社會創新精神，能繼續發光發熱，讓我們共同創造出包容、協作及可持續的地球村。

義遊理事會主席

VolTra always hopes to encourage Hong Kong people, through international voluntary services, to explore the world, learn and appreciate among different cultures, understand the problems and needs of local communities, improve the society through innovative thinking, and ultimately becoming truly global citizens. This is the so-called "Exploration, Empathy, Empowerment of Change" trilogy.

During the past eight years, we have organised overseas individual and group voluntary service projects, Hong Kong workcamps, Mi-VolTra, etc., attracting over 10,000 Hong Kong and overseas volunteers to participate in various voluntary service projects and exchange activities and to explore the world with curiosity. To further inspire volunteers' empathy and empowerment of change, we launched the newly designed "Design Thinking Workcamp in Cambodia", "Funding Scheme for Exchange in Belt and Road Countries - Explore Estonia Through Social Innovation" exchange programme funded by the Committee on the Promotion of Civic Education, and "Jockey Club Glocal Hero Tournament" funded by the Hong Kong Jockey Club Charities Trust. Under these programmes, stakeholders from government, business, social and academic sectors gathered their power to inspire and nurture change-makers and social innovators in Hong Kong.

To promote global citizenship through these programmes, we have successfully inspired social innovation projects initiated by our volunteers such as Light On Charity, Wheel Power Challenge, My Fair Lady, Honken Global Volunteering For Change, Idle Market, GreenActs, Plant For Water, etc. We look forward to the continuous success of this social innovation spirit that is brave enough to take up the challenge and make changes. Let us work together to co-create an inclusive, collaborative and sustainable global village.

Chairperson, Board of Directors of VolTra

海外項目 OVERSEAS PROJECTS

個人義工項目

義遊為香港義工提供不同的海外義工服務機會。我們的海外夥伴機構每年在全球約100個國家舉辦超過4,000個國際工作營及義工服務計劃，並招募世界各地義工，而我們則安排香港義工參與其中。

Individual Voluntary Service Projects

We provide opportunities for Hong Kong volunteers to join overseas voluntary services. Our overseas partner organisations organise over 4,000 international workcamps and voluntary service projects round the year in about 100 countries and recruit volunteers across the globe. We arrange placement for Hong Kong volunteers to participate in their projects.

以下地圖展示了本年度「義地小隊」曾提供義工服務的地方：

The following map shows the locations where the groups provided voluntary services during the year:

團體義工項目

香港人生活忙碌，要抽空參與為期兩星期的海外義工服務並不容易。有見及此，義遊與海外夥伴機構合辦為期四至七天的「義地小隊」團體工作營，希望透過這類常規性的團體項目，為當地社區提供持續性的義工服務。我們除了定期招募香港義工參與「義地小隊」項目，亦經常與不同團體合作，包括大專院校及商界，為他們的學生或員工策劃「義地小隊」工作營。每隊「義地小隊」由10至20位香港義工及義遊代表組成，義工既可以與當地人交流，體驗異地文化，亦能為當地社區作出貢獻。

Group Voluntary Service Projects

Living in such a busy city, it is often difficult for Hong Kong people to spare two-week time to participate in overseas voluntary service projects. In spite of that, we co-organise 4 to 7-day group workcamps with our overseas partner organisations. Through these regular group projects, we provide sustainable voluntary services to the overseas community. Apart from regularly organising these group projects for Hong Kong individuals, we cooperate with different organisations, like tertiary institutions and corporations, and arrange tailor-made group workcamps for their students or employees. Each group comprises of 10 to 20 Hong Kong volunteers and VolTra's representatives. During workcamps, volunteers can communicate with their overseas counterparts, experiencing different cultures and contribute to the overseas community.

柬埔寨設計思維學習營 Design Thinking Workcamp in Cambodia

義遊相信要改善海外社區，不但需要海外夥伴機構的持續努力，更需要來自不同界別及背景的義工注入創新思維，與當地人一同探討社會問題。2016年6月，我們在柬埔寨首次舉辦「點子·咁東單」東國設計思維學習營。透過融入當地人的生活，義工用人為本的設計思維觀察社區的不同層面，為社區提出可持續發展的運作模式，並由下而上與扎根在當地服務的團隊一同擬訂未來發展方向。

Being collaborative is always our belief. While our overseas partner organisations strive to improve their communities, volunteers from different sectors and backgrounds can contribute in solving social issues by collaborating with the locals. In June 2016, we organised our first "Design Thinking Workcamp in Cambodia". By living like a local and applying the human-centered design theory in understanding different aspects of the local community, volunteers developed a sustainable development plan together with the locals.

香港項目 HONG KONG PROJECTS

工作營

我們舉辦香港工作營，讓本地及海外義工一同參與義工服務及交流活動，並互相學習。透過這類常規性的項目，我們希望為本地社區提供持續的服務。

微・義遊

香港義工生活忙碌，未必能夠抽出一星期以上的時間到外地做義工。為了讓忙碌的香港人有機會淺嘗工作營，我們推出「微・義遊」，提供一系列不同主題的一至兩天義工體驗活動，作為參加者另類的學習經歷。「微・義遊」的活動範疇包括農務、藝術、文化、環境保護、修繕、社會服務等。

分享活動

我們舉辦各類講座、工作坊及其他活動，邀請各行各業的嘉賓分享他們遊歷及義務工作的故事。除了擴闊參加者的眼界外，這些活動亦讓志同道合的義工聚首一堂，互相交流。分享活動的主題包括共融社會、設計思維、人道救援、遊歷、義務工作、世界觀等。

Workcamps

Our Hong Kong workcamps offer a special volunteering experience to overseas volunteers, also provide an opportunity for local volunteers to mingle and learn from their overseas counterparts. We aim to bring a sustainable impact to the local communities through these regular workcamps.

Mi-VolTra

Packed with busy work and study schedule, not all Hong Kong volunteers can take part in our overseas workcamps which normally last for a week or more. That is why we initiated a series of different-themed “Mi-VolTra,” which are 1 to 2-day experiential activities held in Hong Kong, giving our volunteers a glimpse of the spirit of workcamps. The scope of activities under “Mi-VolTra” includes agriculture, arts, culture, environmental protection, renovation, social service, etc.

Sharing Sessions

We organise seminars, talks, workshops and other activities during the year, and invite different guests from all walks of life to share with us their travelling and volunteering stories. These activities do not only broaden our volunteers’ horizon, but also serve as occasions for like-minded individuals to gather and share. The topics of the sharing sessions include barrier-free society, design thinking, humanitarian aid, travelling, volunteering, global perspective, etc.

聽著義遊人的分享時，我沒有讚歎他們去過多少令人羨慕的地方，而是很佩服他們用自己的時間，去參與不同的服務。這顆無私的心對我來說很有感染力：再富有的地方也有貧乏的一面，再貧乏的地方也有富有的心靈。

When I listened to the sharing of workcampers, I did not envy their travel experiences but admired them for their efforts and contributions to different voluntary services. The richest places have the poor side, and there are always people rich in heart in the poorest places.

塱原 Long Valley

塱原位於香港新界北區，是香港最大的農業淡水濕地。它由400多塊相連的農田組成，當中的濕地農田、魚塘、沼澤為當地的野生動物提供了理想的棲息地。義遊長年跟環保團體長春社合作，每年在夏季及冬季各舉辦一個為期10天的國際工作營，讓本地及海外義工有機會認識香港的另一面：體驗樸素簡單和平寧靜的新界農村生活。此外，我們亦在塱原舉辦微·義遊，向大眾傳遞塱原的生態、文化及教育價值。

Long Valley, located in the North of the New Territories, is the largest freshwater agricultural wetland in Hong Kong. Comprising of more than 400 pieces of agricultural farmlands, it provides an ideal habitat for the wild animals with its wetlands, fish ponds and swamps. Working with our long-term partner, The Conservancy Association, we organise a 10-day international workcamp each in summer and winter annually, giving local and overseas volunteers an opportunity to learn about another side of Hong Kong: experiencing a simple and peaceful life of a traditional village in the New Territories. Moreover, we organise Mi-VolTra in Long Valley from time to time, promoting its ecological, cultural and educational values.

Partnering with "Ta Kwu Ling / Ping Che Alliance for Saving Our Home", we co-organise international workcamps and Mi-VolTra every year in Ping Che to explore the Hakka village in the North East New Territories with local and overseas volunteers. Volunteers have the chance to learn about the local traditions, get to know about the social issue of the North East development, reflect upon the relationship between human and land, and assist in revitalising the local community.

特別項目 SPECIAL PROJECTS

我們經常和各大機構合作，共同設計及舉辦不同的計劃及活動，推廣世界公民及國際義工服務的理念。本年度重點項目包括「『一帶一路』交流資助計劃 — 求同·傳義@愛沙尼亞 — 社會創新2.0 探索之旅」、「歐盟資助的青年交流計劃」及「賽馬會特『義』公民訓練計劃」。

Partnering with different organisations, we organise different programmes and events to promote global citizenship and international voluntary services. 求同·傳義@愛沙尼亞 — 社會創新 2.0 探索之旅

「一帶一路」近期成為城中熱話，政府鼓勵年青人探索及了解一帶一路沿線的發展。本年度義遊成功申請公民教育委員會「『一帶一路』交流資助計劃」的撥款，策劃了一個為期10天的「求同·傳義@愛沙尼亞 - 社會創新 2.0 探索之旅」，讓香港青年人與「一帶一路」沿線國家青年深度交流，達致「民心相通」的目標。

透過一系列線上線下的宣傳，是次計劃吸引近100人報名，反應熱烈。經過多輪面試及甄選，一共有14位香港青年獲選參與這次愛沙尼亞之旅。旅程於2016年11月舉行，為期十天，參加者在生態農莊留宿，並義務在農場內工作，了解當地農業生態及社區文化。同時，參加者亦在交流活動中，以表演形式來展示香港文化。此外，我們安排了多項社區交流活動，包括與愛沙尼亞政府官員會面、參觀國會、到訪創科公司、專上學院等，並安排對談及訪問，以助參加者認識當地的社創文化，將寶貴經驗帶回香港。旅程結束後，參加者更將交流活動的體驗製作成刊物及錄像，跟其他香港青年分享心得。

Explore Estonia Through Social Innovation

The “One Belt One Road” initiative has become a recent hot topic and the government encourages our youths to explore and understand the development of the “Belt and Road” countries. This year, VolTra successfully secured a grant from “Funding Scheme for Exchange in Belt and Road Countries” of the Committee on the Promotion of Civic Education and organised a 10-day “Explore Estonia Through Social Innovation” exchange programme. The programme aims at promoting in-depth exchange between the youths of Hong Kong and the “Belt and Road” countries so as to foster “people-to-people bond”.

Through a series of online and offline promotion, the programme attracted almost 100 applications. After rounds of shortlisting and interviews, 14 Hong Kong youths were selected to join the trip to Estonia. The 10-day trip was held in November 2016. The participants stayed in a local eco-farm and worked voluntarily in the farm so as to understand the local agricultural ecology and community culture. They also shared the Hong Kong culture through performance in exchange activities. Moreover, various community exchange activities were arranged, including meet-up with the government officials, visits to the parliament, start-ups and tertiary institutions, etc. Through deep discussions and interviews with the community, the participants gained understanding about Estonia's culture of social innovation. They brought these precious experiences back to Hong Kong and produced publication and video to share with other Hong Kong youths.

自 1991 年獨立以來，高速增長的經濟使愛沙尼亞這個寂寂無名的小國，搖身一變成為「波羅的海之虎」。這個只比我大一歲的年輕國家的成功，背後必然有種種故事。很高興在這次旅程中，能從政治、環境、教育及不同的角度，親身了解這個國家成功的奧秘。

Having declared its independence in 1991, Estonia's fast growing economy has facilitated its transformation from a small nation into the “Baltic Tiger”. Just one year younger than me, this young country must have many stories behind its success. I am glad that I could learn about the secrets of its success from political, environmental, educational and other perspectives throughout the journey.

短短十日從小學校長、市長、城市規劃者、在愛沙尼亞工作的香港人身上得知他們怎樣看教育、政治、電影、藝術文化、e-Residency、家庭觀，這都令我大開眼界。這裡沒有人會刻意想從對方身上獲取甚麼好處，而是想著大家如何互助互惠，像家人一樣。

During our 10-day's brief stay in Estonia, I have broadened my horizon through meeting with primary school principals, government officials, city planners and Hongkongers who work in Estonia, and getting to know their views on education, politics, movies, art and culture, e-Residency and family. Here in Estonia, no one wants to take advantage of the others, everyone treats each other like family.

歐盟資助的青年交流計劃 YOUTH EXCHANGE PROGRAMMES FUNDED BY EUROPEAN UNION

義遊與一眾海外夥伴機構一直相信國際義工服務不但能協助改善當地社區，更為參加者提供了課室以外的學習機會。參加者不但能一邊服務一邊了解相關的社會議題，更能把工作營視為一次學習各地文化、突破自己的機會，對個人以至社會發展均有裨益。

VolTra always believes that international voluntary services do not only help improving the local communities, but also provide non-formal learning experiences to all participants. They can learn about social issues and other culture through the volunteer service, which provides an opportunity for them to step out from their comfort zone as well. This benefits both the individuals and society to the greatest extend.

Erasmus+是一個由歐盟資助的教育、培訓、青年及體育計劃。本年度義遊聯同來自比利時、克羅地亞、意大利、肯亞、馬其頓、葡萄牙、西班牙及越南八個海外夥伴機構成功申請Erasmus+的撥款，以十八至三十歲青年為研究對象，進行了一個為期兩年名為「正規，還是非正規」的國際研究，探討國際義工服務對教育的影響及非正規教育在國際義工項目實踐的成效。各夥伴機構在不同國家舉行了共14次不同類型的計劃，包括多邊機構工作影子計劃、項目策劃者訓練、多邊青年交流計劃及項目評估會議。計劃期間，來自葡萄牙阿威羅大學的人文學系學者研究了超過200位青年、青年工作者及項目策劃者，並就青年交流項目提出改善方法，最後整理出一份有關「非正規教育在青年和義務工作方面作為一套認受工具」的研究報告。

Erasmus+ is a programme for education, training, youth and sport funded by the European Union (EU). This year, VolTra together with eight overseas partner organisations from Belgium, Croatia, Italy, Kenya, Macedonia, Portugal, Spain and Vietnam conducted a two-year international research under Erasmus+, namely "To be or not to be...formal," on youths aged between 18 and 30, studying the influence on education brought by international voluntary services and the effectiveness of non-formal education on the implementation of international voluntary service projects. Partner organisations organised a total of 14 different programmes, including multilateral job shadowing scheme, training for programme organisers, multilateral youth exchange programmes and project evaluation meetings. During the programme, academics from the Humanity Department of the University of Aveiro, Portugal, conducted an in-depth research on more than 200 youths, youth workers and project organisers and suggested possible improvement for youth exchange projects, subsequently compiled a research report, titled "To be or not to be...formal – tools for recognition of non-formal education in youth and voluntary work".

賽馬會特「義」公民訓練計劃 JOCKEY CLUB GLOCAL HERO TOURNAMENT

浪遊異地，激發「義」能

青年人是香港社會未來的棟樑，義遊希望為他們提供肥沃的發展土壤，促進他們身心發展，盡展潛能。承蒙香港賽馬會慈善信託基金捐助，義遊在2016年9月展開為期兩年的賽馬會特「義」公民訓練計劃，透過一系列的本地社區任務、工作坊和本地及外地工作營，向青年參加者灌輸世界公民意識。

為期兩年的計劃期望觸及超過2,000名年青人。參加者需自組團隊，並自發計劃及實行一個服務社區的社會項目，希望藉此啟發青年的好奇心、同理心、本地意識及創意。透過不同的社區任務，參加者能深入了解本地社區及其社會問題，然後設計創新社會項目，建設一個更美好的世界。

計劃最終會從表現傑出的隊伍中挑選多達100位香港「特義公民」，前往世界各地參與國際工作營，一邊交流，一邊學習。

Explore the world with a purpose

Youths are the future of Hong Kong, we wish to help them unleash their full potential with an enabling environment. Funded by the Hong Kong Jockey Club Charities Trust, we kicked off the two-year Jockey Club Glocal Hero Tournament in September 2016. The programme aims to instil the global citizenship mindset into youth participants through a series of social missions, workshops, and local and overseas workcamps.

In two years' time, the programme aims to reach more than 2,000 youths. By guiding the participants to form teams and start social projects from scratch to serve the community, the programme targets to inspire participants' curiosity, empathy, local awareness and creativity. Through participating in different community experiential tasks, participants will get to know more about our local communities and their social problems in-depth, and take the chance to initiate innovative social projects to make the world a better place.

The programme will select more than 100 "Glocal Heroes" from the outstanding teams and send them to participate in overseas international workcamps for cultural exchange and learning.

賽馬會特「義」公民訓練計劃希望透過義工服務，培養年青人公民意識，由關心本地社區開始，再進一步擴闊至整個世界。「特義公民」不只是單向地付出勞力和時間，更重要是在跟社會互動的過程中有所收穫。

Through voluntary services, the Jockey Club Glocal Hero Tournament aims to enhance citizenship among the youths. Starting from our local community and expanding to the world, the "Glocal Heroes" not only contribute their labour and time, but more importantly, they learn and gain from the interactions with our civic society.

從義工到創業者 FROM VOLUNTEERS TO CHANGEMAKERS

義遊啟發的項目

PROJECTS INSPIRED BY VOLTRA

義遊相信國際義工服務不單是一種遊歷，更是一場「從我到我們」的思想變革。我們希望義工回到熟悉的環境後，能將工作營中吸收的養分和感動，轉化為實際行動，貢獻社區。以下是義工完成國際義工服務後自發開展的項目。

We believe that international voluntary service is not simply a travelling experience, but a transformational journey and a process of understanding the importance from "Me" to "We". We hope our volunteers can apply what they have learnt and continue to contribute to their own communities. The following are inspired initiatives started by our volunteers after joining international voluntary service projects.

My Fair Lady

My Fair Lady是一個女性意識消費策展平台，成立於2014年，深度連結意識消費者、零售者與生產者，藉着策展網上及實體活動，推動彩妝與時尚的意識消費，尤其公平貿易及無動物測試。

創辦人Joker Rita於2007年在台灣首度認識公平貿易。2009年，作為義遊項目總監的她參加了人生首個工作營，在意大利協助籌備歷史悠久的公平貿易節，進一步了解公平貿易背後原則與精神，回來後跟夥伴們繼續在世界公民和公平貿易的世界略盡綿力。

Launched in 2014, My Fair Lady is a curating platform that aspires to promote conscious consumption, especially in fair trade and cruelty free fashion and beauty, among female consumers by curating online and offline events.

Joker Rita, founder of My Fair Lady, got to know fair trade in Taiwan in 2007. As the Project Director of VolTra, she joined her first-ever workcamp in Italy in 2009, where she contributed to a fair trade festival, further discovered the principles and spirit of fair trade. Since then, she and her community devoted themselves in global citizenship and fair trade industry.

Honken Global Volunteering For Change

2011年完成了肯亞國際工作營後，陳金倫與當地工作營領袖Edgar及Steve建立了深厚的友誼，並自發一起到內羅畢的貧民窟探訪當地的家庭和學校。他們深深被貧民窟小孩的單純和熱情所感動，希望一起建立一個慈善機構，服務那些嚴重缺乏資源和教育機會的孩子。2015年，陳金倫回到肯亞，花了約半年時間，跟Edgar及Steve一起建立了Honken Global Volunteering For Change，並成功註冊為當地合法慈善機構。Honken是「香港」和「肯亞」的意思，目標是希望連繫兩地的有心人，互相幫助，建設更美好的社區。2017年，他帶領學生到當地，為貧民窟的小學建立一個電腦室，讓學生有機會接受資訊科技教育。

Having joined a workcamp in Kenya in 2011, Alan Chan made two life-long friends with the Kenyan workcamp leaders Edgar and Steve. The three visited local families and schools in the slum of Nairobi. Deeply touched by the innocence and passion of the kids at the slum, they hoped to establish a charity to help the deprived kids with resources and education. In 2015, Alan visited

Kenya again and worked for 6 months with Edgar and Steve to establish a registered Kenyan charity called "Honken Global Volunteering For Change". "Honken", which stands for Hong Kong and Kenya, aims to connect people from the two places for developing a better community. In 2017, Alan led a group of students to set up a computer centre for a primary school in the slum, giving the students a chance to receive education about information technology.

閒地攤 Idle Market

一班關心社會的青年人，因為義遊舉辦的「賽馬會特『義』公民訓練計劃」走在一起，希望為香港社區出一分力。經過仔細討論後，他們發起了一個社會項目一閒地攤。閒地攤透過收集及篩選大眾的閒置資源，無償轉贈基層的地攤檔主，目的是希望令閒置物品重新獲得價值及減輕地攤檔主尋找物資的負擔。

Having joined VolTra's Jockey Club Glocal Hero Tournament, a group of youngsters got to know each other and decided to contribute to society collectively. After rounds of discussion, they founded a social project called "Idle Market". By collecting and sorting idle resources from the public and redistributing the items for free to grass roots street-stall owners for sale, the project aims to restore the value of idle items and alleviate the burden on the stall owners in sourcing the items.

GreenActs

GreenActs的成立源於義遊所舉辦的「義地登綠挑戰賽」。受活動啟發，各成員堅信環保與每個人都息息相關，更是個人的社會責任。GreenActs作為一間初創企業，積極參與和籌辦不同類型的環保活動，希望透過互動平台，獎勵及讚賞每個綠色行動，推廣可持續的綠色生活。

The establishment of GreenActs originated from the "Glocal Greenovation Challenge" organised by VolTra. Inspired by the programme, the team members believe that environmental protection is everyone's business and responsibility. As a start-up, GreenActs actively participates in and organises various kinds of eco-friendly activities, aiming to reward and recognise every green action through its interactive platform with a view to promoting sustainable green living.

燭動 Light On Charity

李慧琪多年來在世界各地從事義務工作，其中尼泊爾人總面帶笑容的樂觀天性，帶給她的觸動尤深。2015年，李慧琪是義遊尼泊爾工作營的義工領袖，她在加德滿都遇到7.8級地震的經歷，啟發她回港成立了慈善機構「燭動」，透過重建學校和發展自力更新項目，紓緩當地貧窮問題。李慧琪希望透過「燭動」，在每個人身上體現愛和光的特質。

Pink Lee has been actively volunteering all over the globe in the past years. Among her volunteering experiences worldwide, the optimism and smile of the Nepalese have captured her heart. In 2015, Pink was the leader of VolTra's group workcamps in Nepal and encountered a magnitude 7.8 earthquake in Kathmandu, which inspired her to set up a charitable organisation, "Light On" in Hong Kong. It aims to alleviate poverty by rebuilding schools and developing self-sustaining projects. Pink wishes to bring out the love and light qualities from each and every individual through "Light On".

Plant for Water

Plant for Water的概念孕育於義遊舉辦的「柬埔寨設計思維學習營」。義工先觀察當地村民在生活上所遇到的困難，再透過連繫、引入各農業種植技術、生活知識，與村民建立互信關係，一起改善當地人的生活。2017年5月，Plant for Water帶領三位農業專家及多位義工回到當地，教導村民有關被稱為「奇蹟樹」的辣木的健康價值，以及如何於當地農地上種植辣木。

The idea of "Plant for Water" was developed during the Design Thinking Workcamp in Cambodia organised by VolTra. Volunteers first observed the daily-life challenges faced by the villagers and then worked with an aim to improving the living standard of the locals by introducing farming techniques and living knowledge, as well as developing mutual trust with the villagers. In May 2017, they led three agricultural professionals and some volunteers back and taught local villagers about the health value of Moringa and how to plant this "miracle tree" in the local farmlands.

滾動力量 Wheel Power Challenge

因為受到瑞士無障礙工作營的啟發，物理治療師朱影翠在香港與幾位朋友成立Wheel Power Challenge，透過一連串輪椅體驗活動，喚起各界對無障礙社區的關注，推動社區共融。

Sarah Chu, a physiotherapist, was inspired by a barrier-free workcamp she joined in Switzerland, and established "Wheel Power Challenge" with some friends to promote a barrier-free community in Hong Kong.
